FUND A NEED: MOVE-IN

Day One Kit

Sheets, a towel and a month of basics waiting on his bed

Most men arrive with a bag, if that. The first night matters, so each one finds a made bed and a kit of his own: sheets, a pillow, a blanket, a towel, and a month of toothpaste, soap and razors. It's a small thing. It tells him someone expected him. Level Up budgets $75 a man for it, and we expect about 40 move-ins this year.
